Dear Daddy: Nov. 20, 1941 ON MANEUVERS

I was sorry to hear that you and Moth[illegible] have a cold. I hope by now you have gotten rid of it. I got rid of my cold last week. I can't understand how you forgot to include my 2 shirts and a tie in the handbag. I guess I will have to buy one up there. It is too late to send one from home. I will probably go up at and Sun., and hitchhike the whole way. I heard from Lottie today. She is fine. Did she come home last weekend? I hope business is better, and let me know how it is now. It should be good now before Xmas! Write soon. I'm keeping all the letters, both of them, and when I come home I will bring them. Unless you especially want them now. Love, Harold

Let me know. I did not get the box yet. Did you send a tracer through the post office after it yet? Do it today, as it might get too old. I got the letter of Bert's from Lottie, and she has the original; she ret yped it for me. Loveagain, Harold
